Know Your V Blade Mandoline Slicer

Using Your V Blade Mandoline Slicer

1. Unfold the leg. Ensure that the leg clicks into place.

2. Place your V Blade Mandoline Slicer right-side-up and place it on a sturdy surface.
3. To change functions, simply press down on the button to release and pull out the blade inserts.

4. Then slide the new blade insert along the rails until the unit clicks and locks the insert into place.
5. Place food to be processed into the hand guard. Press down and move back and forth across the blades to cut food.

Note: For best results, keep the hand guard parallel to the mandoline.

6. Proceed with slicing the food without stopping until you've reached the bottom of the mandoline. Keep a good slicing pace, as the momentum from top to bottom helps make slicing much easier.

Care and Cleaning

- Clean V-Slicer immediately after each use with warm soapy water.
- Use Cleaning Brush for blades.
- Carefully dry V-Slicer before storing.
